

Never leave your valuables in your car

take them with you (always)

Take it with you, or lose it!

Vehicle Security Advice

Tips to keep your vehicle safe and secure:

- Never leave keys in the ignition or in your car, even for a short time
- Park with care, if possible in a busy, well lit area
- Close windows, sunroof, lock doors & activate security alarms when leaving your car
- Take valuables with you when you leave your car, eg: cash, credit cards, mobile phones, satellite navigation systems etc
- If you have no choice make sure valuables are locked in the boot, taking care no-one is watching you
- Keep your driving and vehicle documents safe & not in your car
- If you have a garage use it. If you park on a driveway, close & lock any gates
- Postcode your valuables with a UV pen
- Make sure your keys are secure at home & work
- On cold mornings, don't leave your car unattended with the engine running while it warms up
- Check your vehicle regularly if parked for any length of time
- Be vigilant - report suspicious activity
