

## Garden Shed Security Advice

### Tips to keep your shed safe and secure:

- Do not keep valuables in your garden shed, keep these safely within your home
- Ensure the door to your shed is secure, use close shackle padlocks
- Use coach bolts or non-return screws to secure door hinges
- Visibly and permanently mark any property stored in your shed, keeping a note of any serial numbers
- Chain tools, lawnmowers, strimmers, ladders etc to a fixed object inside the shed where possible
- Consider locating your shed where you can see it from your house
- Lock any access gates that lead to your shed or garden
- Consider installing a shed alarm and security lighting
