Dear

FREEDOM OF INFORMATION REQUEST – FOI 991/24 Police officer speeding fines

I refer to your request for information received by Cumbria Constabulary on 5th November 2024. I note you seek access to the following information:

Please could you provide the following information:

- 1. The total number of police officers at your force who have received speeding fines in the last 12 months.*
- 2. The number of fines that were issued while officers were on duty versus off duty, if available.*
- 3. Any available information on the outcome of these fines, including whether they were upheld, appealed, or rescinded.*
- 4. Details regarding any internal policies or guidelines regarding the issuance of speeding fines to police officers, if applicable.*

Your request for information has now been considered and I can confirm Cumbria Constabulary does hold some information relevant to your request and where this is the case I have today decided to disclose this to you.

Please note that the Constabulary's Central Ticket office who send out notices for speeding fines cannot search for information relating to police officers as they do not record the occupation of the person who receives a fine.

The information in response to your request has been provided by the Constabulary's Professional Standards Department (PSD) and relates to police officers who have declared receiving a speeding fine to PSD within the past 12 months.
