Dear

FREEDOM OF INFORMATION REQUEST – FOI 295/25

I refer to your further request for information on 12 June 2025 following our original response on 31 March 2025 in regard to the above Freedom of Information Request. I note you seek access to the following information:

From the FOI request provided by your force I can see that you have recorded 15 suspects between the age of 11-17 of cyber stalking in 2024 and 20 victims aged 11-17 in 2024 too. Can I confirm this is correct?

Are you able to say how many of those were of each age group, for example how many were 11 or 12? And are you able to provide any context on those recorded crimes?

Your request for further information has now been considered and I can confirm Cumbria Constabulary does hold some information relevant to your request as follows:

With reference to your query: ***‘you have recorded 15 suspects between the age of 11-17 of cyber stalking in 2024 and 20 victims aged 11-17 in 2024 too’***, I can confirm that it does not relate specifically to cyber stalking, it is for all stalking offences. Age and gender were not grouped by cyber/non cyber crimes. Please see the below which shows the breakdown into Non Cyber/Cyber crimes:

All Stalking offences in 2024 where victim was
between 11-17 years old

Age	Non Cyber	Cyber	Grand Total
11 yrs-17 yrs	9	11	20

We are unable to breakdown the ages any further as it may lead to identification of a suspect/victim due to the low number of incidents and ages of children involved.

Summarised context of the recorded crimes
