FREEDOM OF INFORMATION REQUEST – FOI 601/24

I refer to your request for information received on 26th June 2024. I note you seek access to the following information:

I would like to know the nationality (please if you could just split this into UK nationals, dual nationals and foreign nationals) of offenders of rape offences for 2020 and 2021.

Your request for information has been considered and I can confirm that Cumbria Constabulary does hold information relevant to your request, and I have today decided to disclose this to you.

The information provided has been extracted from Cumbria Constabulary's custody database. The figures are for rape offences which have had a positive outcome and any attempted rape offences have been excluded from the data.

Please note that the constabulary do not store data on dual nationality, and we are therefore not able to separate the data into this category as requested.

Year	Foreign Nationality	UK Nationality	Unknown	Grand Total
2020	1	27	1	29
2021	2	36	0	38
Grand Total	3	63	1	67

Whilst every care has been taken in the retrieval of the information provided, please do not hesitate to contact us for clarification, if you do have any issues or queries relating to this data.
