Dear

FREEDOM OF INFORMATION REQUEST – FOI 10/25 MOBILE PHONE THEFTS

I refer to your request for information received by Cumbria Constabulary on 3rd January 2025.
I note you seek access to the following information:

I am writing to you under the Freedom of Information Act 2000 to request the following information:

- *The total number of mobile phone thefts in the following years (Jan-Dec): {2022, 2023, 2024}*

Your request for information has now been considered and I can confirm Cumbria Constabulary does hold information relevant to your request and I have today decided to disclose this to you.

To locate information relevant to your request a keyword search was undertaken of property recorded as stolen on the Constabulary's Crime Recording system. The keywords used to undertake this search were: 'Mobile', 'Mobile Phone', 'Phone'.

The result of the keyword search is shown below for your information.

	2022	2023	2024
Number of Mobile Phones Recorded as Stolen	197	199	227

Please note: A keyword search may not accurately identify all relevant information held by the Constabulary. If, for example, a different term was used to refer to a mobile phone, or if relevant information was recorded in different field to that which can be searched using a keyword, any such records would not be identified. Therefore, whilst the above information is provided in good faith it may not be completely accurate.

Whilst every care has been taken in the retrieval of the information provided, please do not hesitate to contact us for clarification, if you do have any issues or queries relating to this data.
