Dear

FREEDOM OF INFORMATION REQUEST – FOI 1118/24 Arrests of individuals with Application Registration Cards

I refer to your request for information received by Cumbria Constabulary on the 12th of December 2024. I note you seek access to the following information:

How many individuals with Application Registration Cards were (a) arrested and (b) convicted in the last 12 months?

Your request for information has now been considered and I can confirm that Cumbria Constabulary does not hold the information you have requested in an easily retrievable format. There is no recordable field in the Constabulary's systems that denotes an application registration card holder, therefore, to locate and retrieve all the information you seek it would be necessary to undertake a manual review of all custody records for the last 12 months.

Due to the large number of records which would require a manual review I have estimated that the time required to locate and extract all information relevant to your request would significantly exceed the "appropriate limit", as stated in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004. The current limit for police forces is set at £450, which equates to 18 hours of work.

Section 12(1) of the Freedom of Information Act does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit. In view of this, and in accordance with Section 17(5) of the Act, this letter serves as a Refusal Notice for your request, by virtue of Section 12(1).

In accordance with the duty under Section 16 of the Act (duty to provide advice and assistance), I regret to say that on this occasion I am unable to offer you any advice or assistance to help you to refine your request so that the time required would be within the "appropriate limit".
