Dear

FREEDOM OF INFORMATION REQUEST – FOI 1585/25 The standardised reporting form for traffic incidents

I refer to your request for information which was received by Cumbria Constabulary on 9th December 2025. I note you seek access to the following information:

The standardised reporting form for traffic incidents asks whether the reporter witnessed the event as a pedestrian/driver/cyclist/etc.

Going back to 2020 can you tell me;

- 1. What percentage of traffic reports made by pedestrians resulted in further action?*
- 2. What percentage of traffic reports made by cyclists resulted in further action?*

Your request for information has been considered and I can advise you that Cumbria Constabulary do not hold percentages nor can we create them for the purposes of Freedom of Information, therefore the response to your request is no information held.

Complaint Rights

If you believe your request has not been properly handled, or you are otherwise dissatisfied with the outcome of your request, you have the right to request an internal review.

In the first instance, please email freedomofinformation@cumbria.police.uk quoting the FOI reference number and explain why you are dissatisfied. Your complaint will be considered and a response will be provided to you after your complaint has been investigated.

If you remain dissatisfied following conclusion of the internal review, you have the right, under section 50 of the Freedom of Information Act, to complain directly to the Information Commissioner.

The address for the Information Commissioner can be found below:
