

Do you know who is *really* calling?

Protect yourself against fraudsters:

- Never give your personal or bank details over the phone (even if the caller claims to be from the bank, police, or HMRC)
- If you are unsure about a phone call, ring the company to confirm they called you (Find the number yourself, and if possible use a different phone)
- Don't be afraid to hang up if you are concerned
- If you think you have been scammed call Police on 101 or ActionFraud on 0300 123 2040
